## Worksop School Councillors

Congratulations to Brennan Fletcher and Skye Morley for being appointed to represent Kingston Park Academy as our new Worksop School Councillors.

Our Year 5 children had a fantastic time last week at the Carlton Church trail. We received some lovely comments from the organisers of the event who said the children behaved beautifully and were a real credit to Kingston Park Academy. Well done and keep up the hard work.

Well done to the whole school for their harvest festival concert at St Johns Church. You all looked very smart and sounded brilliant. Also a big thank you to everyone who donated food for our local charities and to all the parents who took time to join in the celebrations.

## Halloween

On Monday 30th October FS1 and FS2 will be doing a Halloween fancy dress walk in the school playground. FS1 are welcome to come in fancy dress and FS2 will need to come in uniform and bring fancy dress with them.

On Tuesday 31st October we will be having a Halloween disco for children from FS2-Y2 from 3.00pm to 4.00pm and Y3-Y6 from 4.15pm to 5.15pm.

All children will receive a drink and a hotdog or slice of Pizza.

Please note that your child will be unable to stay for the disco if you have not returned the consent slip to school.

We look forward to seeing all of your costumes and scary dance moves!!

## How can I help my child.....?

FS1	Retell the story of Goldilocks and the Three Bears.
FS2	Please listen to us read over the holidays and help us to recognise letters and write them properly – use the sheets and ideas Mrs Carr gave you at parents evening.
Y1	Please encourage your child to keep reading at home and just remind them about changing independently for P.E.
Y2	Continue with Mathletics and encourage further reading at home.
Y3	Talk to them about being a good friend.
Y4	Log on to Mathletics and complete the tasks set.
Y5	Next term children will be learning all about our solar system. Can you help them to investigate the planets in our solar system? Can they find a rhyme, or make one up themselves to help them remember the order of the planets?
Y6	Encourage them to log on to Mathletics and complete the lessons that have been set. If you don't have access to Mathletics, give your child multiplication (2 digit times 3 digit) or addition (4 digit add 4 digit) problems to solve and get them to talk through the process.
