## How can I help my child.....?

FS1	We have been reading The Owl Babies in class. Look up the story on You Tube and read the story together.
FS2	Please help us to learn our lines for the Nativity and please listen to us read. Ask us about numbers that are 1 more than and let us show you that we can add two numbers together.
Y1	Please help us practise 1 more and 1 less than and test us to see how well we are doing. Practise your 2 times tables.
Y2	We have been looking at money in our Maths lessons and there are related tasks on Mathletics for children to have a go at.
Y3	Encourage the children to log on to Bug Club and Mathletics and challenge themselves to read, answer questions and do the activities.
Y4	The children have expressed how much they enjoy reading on bug club, encourage them to log on to bug club and listen to them read and answer the questions.
Y5	Practise multiplying by 10, 100 and 1000. When doing your daily reading try and look for verbs and adverbs in sentence.
Y6	Ask your child to show you how to add and subtract fractions. Ask them the difference between a mixed number and improper fraction. Get them to practise their timetables to help them with their work on fractions in class. Ask them to show you a spelling strategy for learning their weekly spellings.
