

# Kingston Park Academy Newsletter

On Wednesday 20th December the children in our foundation unit have some exciting visitors coming in to school. Andy and Lewis will be putting on a special performance for them including comedy, magic and even some balloon modelling.

## Visit to James Hince Court

On Tuesday 12th and Thursday 14th December some of our pupils will be visiting James Hince Court Residential Care Home. Our choir will be singing some of the songs that they will be performing at the Young Voices concert in January and some of our foundation and KS1 pupils will be performing songs from their Christmas Nativity.

If you would like to watch your child in this year's Christmas performance, please collect your tickets from the school office (two tickets per child). Thank you.

## Polite Reminder

If you would like to donate to this year's Mission Christmas, please give your unwrapped gift to the office by Friday 8th December. Thank you.

As winter is now here and the cold weather has arrived, please can you ensure that you send your child to school with a jumper or cardigan and appropriate outdoor wear including a warm coat, gloves, hat and scarf so they can get wrapped up at break and lunchtimes. Please check that they have your child's name in them.

## Attendance 20.11.17 to 24.11.17

Year 3	Mrs Godfrey	96.0%
Year 5	Mrs Law	94.2%

8th Jan	Back to school

## How can I help my child.....?

FS1	Can you share some stories and talk about which ones are their favourite? Please tell Miss Turner which stories you love.
FS2	Please listen to us read. Help us to complete our home learning art project.
Y1	Practise their lines and songs for the Christmas play and continue to listen to your child read.
Y2	Remember to read so that you can move your hot air balloon higher up the reading chart. Practise spelling words in the past tense.
Y3	From our class page on the website prepare / complete your end of term project about one part of our Ancient Greek topic and bring it through the portal of time to display in our classroom by Friday 15 <sup>th</sup> December.
Y4	Help your child to learn the 7 times table and the corresponding division facts e.g $6 \times 7 = 42$ or $42 \div 7 = 6$
Y5	Look at instructions e.g recipes, directions. Also try to find the perimeter of objects, places around the house e.g garden or a table.
Y6	Get them to show you how to subtract mixed number fractions. Get them to show you how they can skim for key words in their reading book, by giving them a word to find. Ask them to explain what 'determined' means and gives you a scenario in which they would need to be determined.

## FS1 Stars of the Week

### Lydia-Mai Watson and Ollie-Frank Stubbs

#### Jigsaw Awards

F2	Rohev Kalat	Tony Starks
Y1	Adela Kotleszka	Tilly Ball
