

Dear Parents/Carers

The circus is coming to town and your child is in it! On Tuesday 6th May, at 2:30pm, you are invited to a performance by Year 1 and 2 children. This performance will last no longer than 30 minutes and will follow the Avago workshop organised by professional performers from the Magic Carpet Circus Company.

This workshop and performance will link with the theme of this term's learning 'Where in the World is Barnaby Bear,' as he takes a break from his travels to spend time with a travelling circus. This will provide an exciting stimulus for our literacy work, whilst also providing links to geography and other subjects as we travel on a virtual journey around the world. We plan to visit Poland and Bangladesh, to incorporate the cultures of children in this class, as well as a number of other exciting countries, including Australia and Paris. In each country, we would like to sample the culture and visit important landmarks etc. If you have any expertise, photographs, recipes or stories linked to any country outside of the UK, we would love to know. Equally, if you happen to have any circus related skills, we would love a demonstration! Please pop in and speak with Miss Scrimshaw regarding anything that you can offer to enhance our learning!

During this term, we may use facepaints to get into character (hypoallergenic Snazaroo products will be used). Please indicate below whether you are happy for this to be offered to your child.

We hope to see lots of you at the performance on 6th May!

Thanks

J. Scrimshaw
